

REMARKS

Claims 1-26 are pending.

Claim 3 is amended to correct an informality by deleting the word "and".

Claims 4, 19, and 26 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In response, claims 4, 19, and 26 are amended to insert the phrase "and less than 30:1" in order to be consistent with claims 1, 17, and 25, respectively.

The subject application is now believed to be in a condition for an allowance of claims 1-19 and such action is respectfully requested.

Respectfully submitted,

UOP LLC

A handwritten signature in black ink, appearing to read "M. Moore", is written over the printed name.
